*Full Retroactivity on all General Wage Increases dated prior to Agreement date.

- b. \$5,000.00 signing bonus.
- c. 15% Pay Differential whenever an emergency is declared by local, state, or federal authorities or similar status that requires so-called "essential employees" to continue to work during adverse working conditions.

II - Paid Leave

- a. The Carrier shall continue to pay full wages and provide all health and welfare benefits for employees (and their respective spouse and dependents) that are not working due to any reasons related to an epidemic(s), pandemic(s) and/or Local/National Emergency(s) ("Epidemic, Pandemic and Local/National Emergency Protections"). The employees' pay will be based upon their respective straight time rates of pay. The reasons for not working related to an epidemic or pandemic may include, but are not limited to, being treated for infection, diseases and/or sickness, isolating and/or quarantining due to exposure and/or suspected exposure, obtaining a test, traveling to and from testing and waiting for test results as well as for caring for a spouse and/or dependent(s).
- b. Additionally, the Carrier shall be responsible for providing and paying for a supplemental life insurance and Accidental Death and Dismember benefits ("Life and AD&D") in the respective amounts of \$500,000 and \$250,000 per each employee during an epidemic, pandemic and/or Local/National Emergency. These benefits are to be in addition to already existing Life and AD&D benefits in effect.
- c. The continuation of all pay, health and welfare benefits and the supplemental Life and AD&D benefits will continue and remain in effect until 30 days after the declaration of the end of an epidemic and/or pandemic.
- d. All employees shall be provided fifteen (15) days of paid leave ("paid sick leave"), at their respective straight time rates of pay, on an annual calendar year basis. Employees shall be

permitted to observe their paid sick leave on an "as needed" basis with no Carrier right of refusal, and no discipline or other such penalty under any applicable attendance policy. When an employee uses sick leave of three days or less in each instance, medical documentation will not be required. This paid sick leave is to be in addition to already existing "paid time off" under existing rules, understandings or custom and/or policy in effect.

- e. Revise and Improve Vacation rule in accordance with the following schedule:
 - One week in first year of employment;
 - Two weeks after one year of employment;
 - Three weeks after five years of employment;
 - Four weeks after eight years of employment;
 - Five weeks after fifteen years of employment;
 - Six weeks after twenty years of employment.
- f. Revise and improve bereavement leave rules to accommodate additional family members, such as but not limited to grandparents, grandchildren, stepchildren, stepparents, spouse's stepparents, and step grandchildren.
- g. Revise and improve bereavement leave rules to provide four work days of paid time off.
- h. Revise to permit additional flexibility in the timing of taking bereavement leave.
- i. Add Martin Luther King, Jr. Day and Veterans Day to the list of paid holidays.

III - Health and Welfare (applicable to National Railroad Employees' and NRC/UTU HI W Plan where overlap exists}

2. Remove the requirement that employee must be eligible for Railroad Retirement sickness benefits in order to qualify for benefits hereunder.
3. Amend the Plan to change the maximum duration for the payment of benefits to 18 months from 12 months.
4. Employees will be eligible for these benefits after three months of service, regardless of eligibility for Railroad Retirement sickness benefits.
5. In the event an employee attempts to return to work once the employee is medically qualified by his attending physician and is unreasonably delayed by the Carrier with

respect to the employee returning to service, the employee will be entitled to 8 hours compensation each day he is prevented from returning to service.

I. National Health Legislation

1. Regarding benefits already included due to legislation; make changes permanent regardless of possible repeal or reduction in benefits due to legislation.
2. In the event that further national health legislation should be enacted, benefits provided under The Railroad Employees National Health and Welfare Plan and the NRC/UTU Plan, The Railroad Employees National Early Retirement Major Medical Benefit Plan, The Railroad Employees National Dental Plan and The Railroad Employees National Vision Plan with respect to a type of expense which is a covered expense under such legislation will be integrated so as to avoid duplication, and the parties will agree upon the disposition of any resulting savings.
3. Should national health legislation repeal or eliminate any health care coverage or individuals provided under the Plan, such coverage and individuals will continue to be covered without regard to national legislation.

m. General

1. In addition to the National Railroad Employees' H&W Plan, the JPC shall be joint policyholders and will jointly participate in the selection of the insurance company or companies or other administrators required to administer all benefit Plans covering employees subject to this Agreement. The Joint Plan Committee shall oversee and administer the Railroad Employees National Health and Welfare Plan, the Railroad Employees National Early Retirement Major Medical Benefit Plan, the Railroad Employees National Dental Plan, the Railroad Employees National Vision Care Plan, the various plans established to provide supplemental sickness benefits to covered employees and any and all plans which may hereafter be developed or introduced to provide health and welfare benefits to active and retired employees and their eligible dependents.
2. Freeze Monthly Employee Cost Sharing at Current Level.
